

ANNUAL REPORT 2016

“It was a heck of a year!”

When Jimmy Valvano gave his famous ESPY speech, he said this, *“To me, there are three things we all should do every day. We should do this every day of our lives. Number one is laugh. You should laugh every day. Number two is think. You should spend some time in thought. Number three is you should have your emotions moved to tears, could be happiness or joy. But think about it. If you laugh, you think and you cry, that’s a full day. That’s a heck of a day. You do that seven days a week, you’re going to have something special.”*

2016 was a year filled with uncontrollable belly laughs, mountains of thought, and buckets of tears for Hand in Hand Ministries. It was something very special.

We laughed on job sites as people from different walks of life joined forces to change lives.

We recruited amazing thinkers from our Leadership Louisville Ignite Team to help us develop our Urban Immersion program.

We cried when Wayne Fowler, Hand in Hand’s founder, lost his battle with cancer.

We cried tears of joy when we received news of Norma Jean O’Hara’s bequest.

We thank each and every one of our volunteers, donors, and prayer warriors for making this all possible.

It was a heck of a year!

Lend a Hand...Change a Life

Lend a Hand . . .

“I am so happy with my kids and my new home. I feel that the Hand in Hand family has changed my life.”

*Claudia Martinez, Belize,
Building for Change Partner*

“I don't know who did it, or cleaned up the empty lots. But it's beautiful and appreciated. It makes my heart smile.”

*Portland resident,
describing murals
painted by GE
volunteers at Hand in
Hand's Portland
Headquarters*

“Thank you Lord! We are not invisible any more!”
*Miss Lynn, Elim Baptist Church, when the first group
arrived in the Parkland Neighborhood*

“During the time of hospitalization, all he wanted to do was sit outside and feel the sunshine. Because of Hand in Hand Ministries' volunteers building the ramp, we have been able to accomplish this for him.”

*Brenda Feltz, home repair recipient in
Appalachia, commenting on ramp for
her husband*

www.facebook.com/myhandinhand

“On the last day we stood in a circle, held hands and said a few prayers. Then Anna, the lady whose home we were working on, spoke. With tears of joy in her eyes she thanked us for giving her the gift of basic plumbing. She was truly thankful for something that we take for granted in the states. To us, it is the same as having air to breath. To her, it was a Godsend.”

*Scott Karem, Board Chair
reflecting on his first trip to Nicaragua*
